

वृतिका (TRAINING AND SKILL INTERNSHIP)

UNDER SERB ACCELERATED VIGYAN PROGRAM GOI PROJECT: ADVANCED SURFACE ALLOY COATINGS DURING MANUFACTURING FOR WATER INDUSTRY COMPONENTS

Advanced Materials Manufacturing and Tribology Laboratory (AM²T), IIT Tirupati is organizing Vritika. Accelerate Vigyan Scheme aims to improve the research abilities of young scholars through high-end workshops and training, research and internships in selected disciplines.

OBJECTIVE

To groom students (primarily from Universities, Colleges, Private Academic Institutions, and newly established Institutes) in their career pursuits by developing dedicated research skills in selected disciplines of Science and Engineering through Training and Skill Internship.

NATURE OF SUPPORT

The internship will be given for meeting daily necessary expenses (stationery, consumables, accommodation, food, etc.), and will not contain any stipend for them.

The interns will be eligible for TA reimbursement for their journey to the host institute from their hometown/home institute, both ways, as per GOI norms.
